

Dear guest,

On behalf of the entire team at the Amsterdam Manor Beach Resort I would like to extend you and your beloved ones my warm wishes for X-Mas and a Happy New Year! I would like to use this opportunity to thank you for having chosen our resort for your vacation on our beautiful island. 2011 has been an exciting year for us in which we redesigned our studios and suites to even give you a more Caribbean & tropical feeling. Being an EarthCheck Platinum Certified resort we had the air conditioning in all our rooms replaced for more energy-saving units. Should you want to come back with us in 2012 we have made a special offer for you. For more information on this special please use the link below. We hope to welcome you again in 2012!

Saludos,

Jurgen van Schaijk

HOUSEKEEPING/MAINTENANCE WEEK, SEPTEMBER 12 – 19, 2011

The housekeeping and maintenance department were once again happy and grateful to be able to celebrate another year of Housekeeping/Maintenance Week.

This year, we began our special week on September 12th with a bus tour of our beautiful island followed by breakfast, a relaxing fun day at De Palm Island, topping it off with a delightful dinner at Passion’s restaurant. Oh, and let’s not forget the lecture that was given on Healthy Eating.
